Next meeting --- Fraction, Decimals and Rate/speed! HAHAHAHAHA!!!

YOUR HOMEWORK! From ME!
> #1—How many hours until our next meeting (If we stop at 7pm tonight?)
> #2—How many school hours until our next meeting (counting time from start to end, including the recess)
> #3—How many Sleeping hours IF you each get 8hours per day?
> #4—How many hours to do something OTHER then school and sleep?

In your NEW Primary Mathematics 5A Workbook WB
(our Textbook is going to be written TB)

Chapter 2.
Page 34-39 Review 1 in the WB
You should be able to do all these problems. If you do them all---then you are GREAT!
IF you do EVERY OTHER problem (half of them), then you are OK….
If you need help, refer to the TB
Chapters 1, 2….

Chapter 3 – FRACTIONS (oh yuck…. ☺)
In the TB read pages 33,34,35…..
IF YOU ARE wanting to be really smart….do page 36….TB
But, everyone do Exercise 14 in the WB (page 40)
Then Go to the TB and read from 37,38,39 (doing the problems…)
Everyone Do Exercise 16 in WB (page page 44)
